Junior Video Editor cum Trainer

Description

Galtech School of Technology is seeking a creative and motivated Junior Video Editor cum Trainer –to support both production and training functions. This dual-role combines hands-on editing/shooting with guiding students in a classroom/lab setting, ideal for freshers or early-career professionals.

Key Responsibilities

- Edit and assemble raw footage into polished video content using Adobe Premiere Pro, DaVinci Resolve (After Effects, Photoshop skills a plus).
- Shoot basic video segments; operate cameras and audio equipment.
- Optimize final videos for digital platforms (Y Tube, Instagram, FB, TikTok) following platform-specific standards.
- Collaborate with the creative team on project conceptualization and execution.
- Conduct training sessions, workshops, and one-on-one tutoring in video editing tools and storytelling techniques.
- Cultivate an engaging learning environment that encourages student creativity and skill growth.
- Help maintain equipment, archive files, and support class/project administration.

Qualifications & Skills

- Freshers or up to 6 months experience in video editing, shooting, or related fields.
- Basic camera and audio gear familiarity.
- Proficiency in at least one editing suite (Premiere Pro / DaVinci Resolve). After Effects, Photoshop, Illustrator skills preferred.
- Excellent communication and presentation skills for training.
- Creative mindset, good storytelling sense, and strong attention to detail.
- Bachelor's degree or equivalent in Film, Media, IT, or related discipline is a plus.
- Candidates should be willing to upskill to use AI Tool

Compensation & Benefits

- Monthly salary: ₹15,000
- Exposure to real-world projects alongside trained professionals.
- Defined career progression from junior trainer/editor to senior roles.
- Hands-on experience with footage production, editing, and student mentorship.
