Video Editing Interns

Description

We seek dynamic and innovative video editing and graphic designing interns to join our team. This internship is designed to provide you with valuable skills and real-world experience in a fast-paced and creative environment.

Responsibilities

1. End-to-end video production, from ideas to editing & publishing
2. Be responsible for developing, editing, and creating video content for different social media platforms
3. Create eye-catching graphics and visual assets for various digital platforms, including social media, websites, and marketing materials
4. Work closely with the content development team to understand the content and design
5. Able to work independently and as part of a team to establish project deliverables

Requirements

1. Proficiency with basic camera handling & audio equipment
2. Knowledge of Adobe Photoshop, Adobe Premiere Pro, DaVinci Resolve, Graphic Designing etc.

Interested candidates apply with their work portfolios.

Note: This will be a 4-month full-time Internship program with a stipend and the candidate will get an Internship certification after successfully completing the program. The absorption possibility will be based on the performance during the training period.
